3. **Claims 1-5, 8-21, 23-28 and 31-36** are allowed. These claims will be
renumbered as 1-31.

4. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the claimed limitation of the
printing and display device comprising:

a stand attached to the flat panel display for supporting the flat panel display and
the printer, wherein

the stand includes at least one receptacle configured to accept at least one
replaceable ink cartridge for supplying ink to the printer, wherein

Art Unit: 2625

the printing and display device is configured such that the paper to be printed is fed manually into a paper path that directs the paper from a region adjacent the upper edge of the flat panel display, past the printhead for printing, then out of the device adjacent a lower edge of the flat panel display.
